

Dear Sand Lake Neighbor:

Have you signed-up to be a member of the Sand Lake Property Owner's Association (SLPOA) for 2017?

The purpose of the SLPOA is to conserve, maintain and preserve the natural resources in and around Sand Lake...and, we think it's important to have a little fun with our neighbors!

The SLPOA officers and delegates are **your neighbors who volunteer their time** to ensure that Sand Lake stays beautiful for us and for future generations. **It only costs you \$25 (or, \$15 for seniors) per year to be a member.** Where does the money go? The SLPOA Board members do countless hours of research and work to address issues that are vital to keeping our lake beautiful. SLPOA volunteers also enable us to enjoy community benefits like: Tunes on the Lake, the Cottage Tour, Independence Day Fireworks, a great homeowner directory, and discounts at local businesses, such as trash haulers.

2017 is an SLPOA Board election year. We'd love to have some new neighbors involved, so consider volunteering. In any case, make sure you are a member. You must be an SLPOA member to vote at the Annual Meeting.

A vibrant community makes our lake a desirable place. While everything the SLPOA does is by volunteers, we do need donations to cover the necessary costs of working on your behalf for the good of our lake. The \$25 membership goes towards basic things like printing the yearly Newsletter, the bi-annual Sand Lake directory, maintaining the website, as well as very important things like hiring professionals such as attorneys when it is necessary to defend our beautiful lake and property.

Events such as Tunes, Cottage Tour and Fireworks are all self-funded through additional donations made by you and your neighbors. Simply put, if we get enough additional donations we can do these events. These events have become part of what makes Sand Lake special. Sand Lake is not just a lake, it's a community. *Your* community!

I hope you will join the SLPOA as well as make additional donations to support the wonderful community events!

Regards,

Terry Flood, SLPOA President
